

ENVIRONMENTAL EXCELLENCE TRAINING AND DEVELOPMENT LTD

Environmental Excellence Training & Development ROTO & ROATP approved providing accredited and tailored courses from entry to degree level across the FM sector. Apprenticeships feature proudly as we support our clients to access the "Levy Fund" and increase their return on investment.

New for 2018 - The Cleaning Professionals Development Package designed with industry for industry. Neat, short, sharp, funky workshop style tuition, Operator, Supervisor, Manager, Auditor we have it all covered. With particular expertise within Health Care Environments supporting the requirements of CQC, our offer includes contract and operational reviews, business support, auditing, inspection and specialist cleaning services.

Executive Director Delia Cannings brings over 30 years experience of cleaning science, health, hygiene & safety, contributing to press, TV and social media. Delia has held significant roles and led on high profile projects and shares her expertise alongside her professional team. Environmental Excellence provides the widest range of cleaning related reading material in the UK available direct from our website.
