

Environmental Excellence  
Training and Development Ltd

## **Ascentis Level 2 Certificate in Developing Environmental Awareness**

### **Course Overview:**

The Developing Environmental Awareness course is ideal for individuals and people in a work setting. All organisations in the United Kingdom are being urged to take on more environmentally friendly management strategies.

This programme will enable students to develop their knowledge, understanding and skills of the main environmental issues that face businesses. Students will also learn how to complete an environmental audit in their organisation.

### **Course Content:**

- Introduction to Environmental Management
- Managing Energy
- Managing Waste
- Managing Water Use
- Managing Transport
- Preventing Pollution

**Assessment Method:** Workshops/Assessments

**Qualification:** Ascentis Level 2 Certificate in Developing Environmental Awareness

**Course Costs:** Funding may be available to assist with costs and preference will be given to customers with employees who can attend in groups.

**Course Duration:** TBA

**Modes of Attendance:** Variable

**Delivery:** EETD/In Company
