Training and Development Ltd

## Level 1 Award in Food Safety Awareness in Catering

### Course Overview:

This qualification aims to prepare learners for employment, or to support a current position within a low-risk role, where there is an element of food handling. This course is aimed at those working with low-risk or wrapped foods such as check out staff, waiting staff and kitchen porters. The qualification ensures that employees from all food sectors are equipped with a knowledge of basic food hygiene to enable them to produce safe food.
