

Level 2 Cleaning Hygiene Operative Apprenticeship

Course Overview: Are you a cleaning and hygiene sector employer interested in accessing funds to develop your workforce?

Did you know that the Level 2 Cleaning Hygiene Operative Apprenticeship **is now live?**

The Level 2 Cleaning Hygiene Operative Apprenticeship will enable industry businesses to invest in their staff, providing employees with an opportunity to access a recognised work-related cleaning qualification.

The apprenticeship will benefit your business by:

- developing a workforce with skills specific to your business
- allowing existing employees to pass on their knowledge to your next generation of employees
- providing you with a motivated and fast-developing workforce.

As well as unlocking millions of pounds a year for staff training in the sector, the new apprenticeship will help the sector and staff achieve greater recognition for their vital and skilled work contributing to the health and well-being of the nation.
