CIWM Prepare and Clean Refuse Chutes

Course Overview:

This qualification supports individuals into work by providing the skills cleaning operatives require to prepare and unblock refuse chutes using appropriate equipment and cleaning agents.

The CIWM Level 1 Award in Practical Cleaning Skills (refuse chutes) does not require any other qualifications or levels of attainment in order to take this qualification. However, learners will need to be employed in a suitable position, or have access to the working environment, as the qualification is assessed 'on the job'.

Course Content:

The units of a qualification describe what you must be able to do and understand to perform work activities competently in your job role.

- Be able to prepare self and work area
- Know the requirements for disposal and storage of personal protective equipment
- Be able to prepare cleaning agents and materials safely for cleaning access points
- Be able to dispose of and store cleaning agents and materials
